

Bate Collection of Musical Instruments

Can you find this instrument on the right?

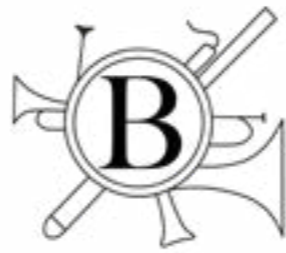

Write the name of the instrument here:

Why do you think it has been given this name? (hint: What animal does it look like? Sssss)

If there was an instrument called an 'Elephantine', what do you think it would look like? Draw your ideas here.

The Tallest

Can you find the tallest instrument?

D () — — — H ()

What building might they be played in?

(T) — — — — —

What material are they made of?

C — — — () R

Take the letters that appear in the circles and see if you can make them into a word connected with music. Write the word here:

— — — — —

The Smallest

Join the dots to make an Instrument

Can you find it in the collection?
(Hint: It's upstairs!)

Write it's name here:

J — — — — —

The Oldest

Can you find the instrument above?

This is the oldest instrument in the collection. Can you write the name of the instrument?

What material do you think this instrument is made out of?

The Youngest

Can you find the youngest instrument in the collection?
(Hint: It's pink!)

Write the name of the instrument here:

What material do you think this instrument is made out of?

P L — — — — —

The Highest Pitch

The instrument with the highest pitch can be found opposite the pink recorder. Try to unscramble its name:

L O C O P I C

— — — — —

Which of the following do you think affects the pitch of the instrument?

Size

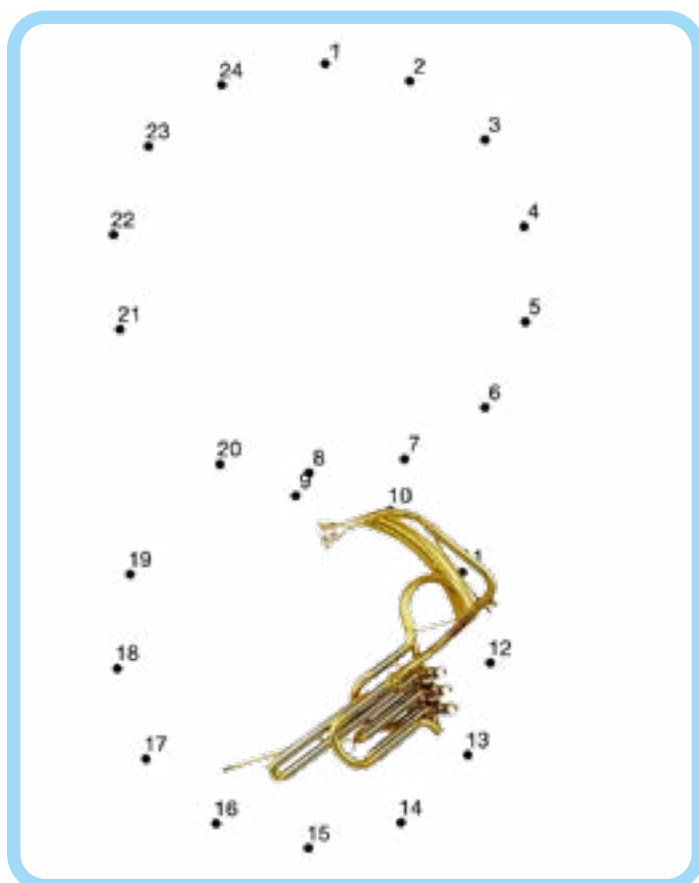

Colour

Material

Whether it is blown, plucked or hit

The Lowest Pitch

The instrument that makes the lowest pitch noise is a member of the brass family. Join the dots to make the instrument below:

Can you find the instrument?

Hint: It's downstairs!

Write the name of the instrument here:

T — — —
